**Location Matters:** It matters where you live when taking an online course or an on-campus course with an experiential learning activity such as student teaching outside of South Dakota. If you move to, or live in, a different state after admission to the program, continuation within the program will depend on the availability of the program within the new state where you live. The change in location may impact your receipt of financial aid and tuition assistance benefits.

It is your responsibility to contact DSU personnel with direct oversight of your program if there is a change in state location [dsu-coe-office@dsu.edu](mailto:dsu-coe-office@dsu.edu). You can also contact [online@dsu.edu](mailto:online@dsu.edu).

Some states may possibly need extra course(s) or exams but not necessarily right away. Check with College, State agency, Online Office, and your state agency.
